

Exact Listening Registration Form

Trainers set their own fees for the class, but each first-time student must pay a Materials Fee to cover the cost of the Exact Listening manual and CD, sent with the student's Graduation Letter after the student has completed the course. **The current fee is \$19 (\$22 outside the U.S.).** This is a one-time fee. It is collected by the Trainer and submitted with this form.

If the student has purchased the manual and CD in advance, the student gives the Trainer the receipt he/she received from ELTA. The Trainer attaches the receipt to the Registration Form and submits that to ELTA. All Registration Forms should be accompanied by either a Materials Fee or this receipt indicating that student has already purchased the manual and CD.

Registering benefits the student because only Registered Graduates have the right to repeat the course for free from any Trainer anywhere the course is taught. *Repeating students who show the Trainer a Graduation Letter in his/her name do not re-register or pay any fees or tuition of any kind.*

Anyone who acts as a guide in a training session should register. If someone acts only as a student in a session but not as a guide, that person need not register, although this is recommended. *It is the responsibility of the Trainer to provide each student with this Registration Form, collect the Materials Fee (or receipt), and forward them to the Association as soon as possible after registration.*
